

OFFICE OF THE ASSESSOR
COOK COUNTY ILLINOIS
CHICAGO 60602

JOSEPH BERRIOS
ASSESSOR

October 21, 2013

I am pleased to inform you that since taking office on December 6, 2010 I have made marked improvements to the Assessor's Office, while maintaining a high level of fiscal responsibility. My administration is focused on and committed to the continuous development of forward thinking and proactive programs and initiatives.

Over my tenure I have made sweeping changes within the Assessor's Office. These changes have allowed me to refine the assessment cycle, upgrade the office's technological capabilities, and advance a legislative agenda that has proved to be of great benefit to taxpayers, Cook County, and numerous other taxing bodies.

We have decreased spending at the Assessor's Office, while increasing productivity and the quality of customer service thanks to the hard work of my staff. I remain highly committed to providing the public with accessible and efficient service whether virtually, over the phone, or in person.

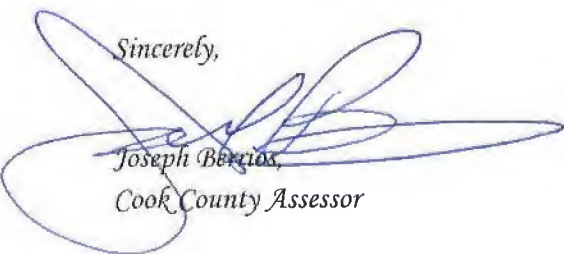

My office's collaboration with different branches and municipalities in government, educational institutions, civic groups, and non-governmental organizations is a key component in my effort to bring new and innovative ideas to the property tax arena. Thus, I have tasked my staff with the development and strengthening of such partnerships. These partnerships will continue to be a priority to my administration and I am confident that they will continue to benefit the residents of Cook County and the State of Illinois.

In the first full year of this administration (tax year 2011) the assessment process was successfully accelerated so that the 2011 second installment tax bills were issued by the statutory due date for the first time in thirty-four years. Similarly the 2012 second installment tax bills went out on-time.

My office has managed to achieve these strides with a decreased and relatively stable budget. You will find included with this letter a detailed breakdown of my office's recent accomplishments.

I would like to thank you for your past support, without which my job would have been much more difficult, and I hope to continue to have your support in the future.

Sincerely,

Joseph Berrios
Cook County Assessor

Assessor Joseph Berrios Accomplishments: 2010-Present

1. Assessment Cycle/Triennial

- a. Closed assessment cycle on time for the first time in 34 years.
 - i. The Assessor's staff was reduced by 13% and still closed on the statutory date.
 - ii. The on-time closure of the assessment cycle has been beneficial to the taxing bodies. Tax anticipation notes have not been needed because the assessment was closed on the statutory date.

2. Website/Tech

- a. Redesigned website: The efficient design allows for greater accessibility by the tax payer.
- b. Website video tutorial: This project was planned and executed in collaboration with Columbia College students and faculty to address the most frequently asked questions about the Assessor's Office.
- c. Website hits: The Assessor's website receives 2.65 million annual hits with over 1 million hits alone during the month of July (tax bill season).

3. Legislative agenda

- a. Proposed and passed legislation to stop erroneous homestead claims.
 - i. Currently billed over one million dollars in erroneous exemptions during the amnesty period.
- b. Supported legislation to increase the Homestead Exemption amount to 7,000.
- c. Supported legislation to increase the Senior Exemption amount to 5,000.
- d. Initiated the Emergency Flood Revaluation and Outreach Program for taxpayers affected by the spring floods.
- e. Collaborated with the Cook County Tax Portal for the efficient and harmonious sharing of data and resources between offices.
- f. Collaborated with the village of Tinley Park and Roosevelt University (Marshall Bennett Institute of Real Estate) to expand the scope of the Class 8 incentive. Provided research and outreach for support and eventual passage by the Cook County Board.
- g. Class 9 affordable housing program: Worked in conjunction with the Illinois Housing Development Authority (IHDA) and the Community Investment Corporation (CIC) to address concerns regarding the structure of the Class 9 program.
 - i. 2014 policy implementation of a new Affordable Housing/Class 9 program.
- h. Enthusiastically cooperated with the Bureau of Technology to assist in mainframe upgrade.
- i. Worked with the CHA to procure \$7.5 million in funds due to Cook County and additional taxing bodies from the PILOT (Payment in Lieu of Taxes) program. This is the first time in the programs history PILOT funds have been calculated and paid.
